

# NEW HERDSIRES . . .

**The type that will keep a Simbrah breeder in the Beef Business!**

**ZZ Navigator L348**, a polled Catalyst son out of a Bech daughter that indexed 108.7 and won Reserve Simbrah bull in his age group at the 2003 RGV BIA Bull Test.

**Futuristic Steers  
Excel at  
Ranch to Rail**

For many years, Futuristic's steers have made money at the feedlot. This year was no exception! Our net return on his 10 Simbrah steers was \$170.33. The average from the other 29 ranches participating was \$116.59. His steers graded 60% choice and 40% select with an average yield grade of 2.1. Average daily gain was 3.42# with the program average of 3.03#/day. Semen available.

**ZZ Dorado K283** a P/s Becherovka son

Both of these young herdsires have outstanding pedigrees, EPDs, desirable phenotypes and exceptional carcass potential. Semen available this fall.

See our consignments in the  
**Southeast Simbrah Alliance's**  
**BREED BUILDER V**  
**Sale**

**Saturday, September 20, 2003 • 1:30 pm**  
**East Texas Fair Grounds • Tyler, Texas**

**Embryos sell at SESA**

This bull calf is an example of the mating of ZZ Bonnie Belle G51, a Bech daughter and Bonina's Mahogany. This is an outstanding calf!

**This pair sells at SESA**

SCC Koochy Koo H341 by TM's Scootum and a WAR Black Star daughter with Polled Bull Calf at side by ZZ Black George K279  
Cow exposed to ZZ Dorado K283
