**WE
ARE
IN THE
BEEF BUSINESS!**

To succeed in the **BEEF BUSINESS** our Simbrah Cattle must perform economically and efficiently in the pasture and the feedlot. Excellent fertility, disposition, calving ease, growth and carcass traits of our Simbrah cattle help us attain that success. The results prove that our Simbrah cattle excel in feedlot trails and carcass merit programs measuring important performance and carcass traits that **MAKE A BEEF PRODUCER MONEY!**
